7th EAI International Conference on Mobility, IoT and Smart Cities

December 2 - 4, 2020 | Viana do Castelo, Portugal
Submission Deadline: June 22, 2020

EAI is actively monitoring the COVID-19 situation **to ensure the safety, comfort and quality of experience for attendees** and a **successful course of the event**.

EAI is committed to holding the conference in 2020 and Accepted Authors who are unable to attend the event in person will be given an **option to present their submission online**. In case the situation prevents the event from taking place in its original location, it will be held fully in an interactive, **live online setting**. All matters related to **publication** and **indexing will remain unchanged**.

Accepted Authors will be notified about the final decision regarding the conference setting before the Camera-ready deadline.

SCOPE

The scope of the **Mobility IoT 2020 – 7th International Conference on Challenges in Smart Cities and Regions conference** is to discuss the next level of innovative technologies influencing industry and connectivity sectors in the future industrial, urban and sustainable development.
The conference will provide a platform for synergy of ideas within the smart industrial innovations approaching from various points of view: industry and management 4.0, expanding new business models, smart technologies identifying up-to-date global challenges, new trends and opportunities.
Highlights: **Technological Innovations, Industry 4.0 and Management 4.0, Urban Mobility, Social Mobility, Sustainability**

We are pleased to invite you to submit your paper to **Mobility IoT 2020**. Submissions should be in English, following the Springer formatting guidelines (see **Submission**).
